Districts wishing to receive an undiscounted bill subject to the Form 472 reimbursement process must indicate this desire in writing.

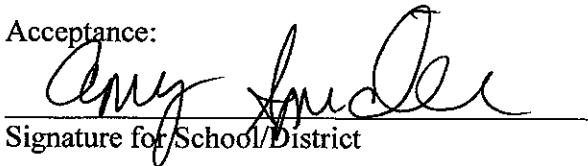

SWOCA is pleased to have provided Internet Access for over 45 Ohio schools and districts for more than 15 years. Our skilled, certified network personnel are well aware of the needs of schools. Located near your district, we are better able to provide convenient telephone, helpdesk and on-site support when needed. Thank you for your consideration of our bid.
